## Become a Friend of British Dalmatian Welfare

### Membership Application Form

Over 200 Dalmatians each year are helped by our Welfare organisation. Many owners need advice and support but about half of these also need to be found a new home.

In recent times the Dalmatian has become increasingly popular mainly due to their high profile with the Disney Films. Too many Dalmatians are obtained as puppies by well intentioned owners without the necessary forethought. The puppy soon becomes a fully grown boisterous teenager or an adult whose owners have either got tired of them or are not able to fulfil the dogs need for lots of regular exercise, mental stimulation and training required.

Changes in circumstances, loss of job or home repossession, marriage break up, illness or death can also result in a much loved and well cared for Dalmatian in need of a new home. Sometimes the dog is just abandoned, their owners not caring what happens to them, the dog ends up on Welfare with no name, no history or back ground to help us find him a new home.

All those involved in running and supporting the British Dalmatian welfare organisation are volunteers and give their time for free. But the work to find these unfortunate dogs new home costs money, which is spent on things like: veterinary fees, neuter assisting schemes, short term fostering, kennelling, transportation, phone calls, postage and stationary costs and travelling expenses for assessing dogs for re-homing and assessment of potential new homes.

If you would like to become a Friend of British Dalmatian Welfare your annual donation of £5 will greatly assist the Charity in continuing its valuable work. We will also send you a newsletter on a regular basis so that you can hear about all the work that is going on.
